From the Prez...

Things are ramping up for the 2026 Midwest Krawlers!

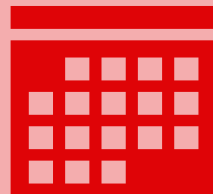

We came out of the chute very strong with 462 rigs at Frostbite to support our partnership with Kansas Rocks. It was a very well attended event by all of the clubs and of course we had a fantastic showing of rigs!

The calendar is filling up and you're seeing more and more events on the webpage and Facebook calendars.

I hope you're also noticing the great media that has been posted lately to the website. We're hoping to get more of your rigs showcased, as well as all the fun we're having this season.

With this being our 10-year anniversary, we can't wait to recognize our partners and team members that have kept this club growing stronger and more resilient year after year.

MIDWEST KRAWLERS MOTTO

"Leave No One Behind, and Leave No One Where You Found Them"

This motto captures the club's essence of community, growth, and responsibility. Here's what it means:

"Leave No One Behind"

Support and Unity: As a club, we are a family. This means we stick together, whether it's on the trails or in life. No one is left stranded, unheard, or unsupported.

Collaboration: When challenges arise, we tackle them as a team. From mechanical breakdowns to personal struggles, we're committed to helping each other through life's obstacles.

"Leave No One Where You Found Them"

Encouraging Growth: We don't just offer support, we inspire progress. Our goal is not just to help people where they are, but to challenge and equip them to move forward with confidence — on and off the trails.

Skill Development: This could mean helping someone become a better driver, teaching trail recovery skills, or even developing as a future MWK leader.

Empowering Transformation: Everyone should leave the club stronger, more knowledgeable, and more capable than when they joined.

How This Motto Shapes Our Actions:

On the Trails: We stay together, ensuring every vehicle and driver completes the trail safely. At the same time, we encourage members to push their limits and try new challenges, growing their confidence and skillset.

In the Club: We build a culture of mentorship, sharing knowledge and developing personal relationships.

In Life: Midwest Krawlers is more than off-roading — it's about building each other up, so every interaction leaves a positive impact.

This motto calls us to be a club that not only supports its members but also invests in their growth. It's about creating a lasting legacy of camaraderie and transformation, ensuring Midwest Krawlers is a place where everyone feels they belong and where they're encouraged to become their best selves.
