Partner Feature

Midwest Krawlers, we don't partner with just anyone. Our sponsors are businesses that understand the off road lifestyle whether you're building a truck, a Jeep, or anything in between.

That's exactly what you get with Maxed Out Trucks in Lee's Summit.

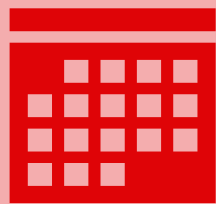

Don't let the name fool you this isn't just a truck shop. Maxed Out Trucks works on trucks, Jeeps, and off-road builds of all kinds, handling everything from lifts and suspension to wheels, tires, and full custom setups.

You may have already seen their work on a bigger stage as seen at World of Wheels, where their builds turned heads and brought home hardware. That level of quality doesn't just show up at a show it's what they bring to every build.

Whether you're dialing in your daily driver or building something that lives on the trail, their team knows how to make it happen—and make it look damn good doing it.

From clean street builds to trail ready rigs, Maxed Out Trucks is a solid go to when it's time to level up.

MIDWEST KRAWLERS MOTTO

"Leave No One Behind, and Leave No One Where You Found Them"

This motto captures the club's essence of community, growth, and responsibility. Here's what it means:

"Leave No One Behind"

Support and Unity: As a club, we are a family. This means we stick together, whether it's on the trails or in life. No one is left stranded, unheard, or unsupported.

Collaboration: When challenges arise, we tackle them as a team. From mechanical breakdowns to personal struggles, we're committed to helping each other through life's obstacles.

"Leave No One Where You Found Them"

Encouraging Growth: We don't just offer support, we inspire progress. Our goal is not just to help people where they are, but to challenge and equip them to move forward with confidence — on and off the trails.

Skill Development: This could mean helping someone become a better driver, teaching trail recovery skills, or even developing as a future MWK leader.

Empowering Transformation: Everyone should leave the club stronger, more knowledgeable, and more capable than when they joined.

How This Motto Shapes Our Actions:

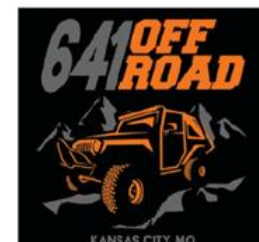

On the Trails: We stay together, ensuring every vehicle and driver completes the trail safely. At the same time, we encourage members to push their limits and try new challenges, growing their confidence and skillset.

In the Club: We build a culture of mentorship, sharing knowledge and developing personal relationships.

In Life: Midwest Krawlers is more than off-roading — it's about building each other up, so every interaction leaves a positive impact.

This motto calls us to be a club that not only supports its members but also invests in their growth. It's about creating a lasting legacy of camaraderie and transformation, ensuring Midwest Krawlers is a place where everyone feels they belong and where they're encouraged to become their best selves.
