## Partner Feature

### THOR'S LIGHTNING

Every experienced wheeler knows the trail starts with airing down and ends with airing back up.

That's why we're proud to highlight Thor's Lightning, a Midwest Krawlers partner helping off-roaders spend less time waiting and more time wheeling. Their portable air compressors are built to get you aired up quickly after a day on the rocks, mud, or trails.

Whether you're dropping tire pressure for better traction at Kansas Rocks, SMORR, or Hot Springs, or airing back up before the drive home, Thor's Lightning has the equipment to help keep your adventure moving.

A reliable compressor is one of the most important tools you can carry, and Thor's Lightning is committed to providing products that off-roaders can count on when it matters most.

Please join us in thanking Thor's Lightning for supporting Midwest Krawlers and the off-road community!

Because nobody wants to be the last rig in the parking lot waiting to air up.

## MEET OUR PARTNERS

### MIDWEST KRAWLERS MOTTO

**"Leave No One Behind, and Leave No One Where You Found Them"**

This motto captures the club's essence of community, growth, and responsibility. Here's what it means:

#### "Leave No One Behind"

**Support and Unity:** As a club, we are a family. This means we stick together, whether it's on the trails or in life. No one is left stranded, unheard, or unsupported.

**Collaboration:** When challenges arise, we tackle them as a team. From mechanical breakdowns to personal struggles, we're committed to helping each other through life's obstacles.

#### "Leave No One Where You Found Them"

**Encouraging Growth:** We don't just offer support, we inspire progress. Our goal is not just to help people where they are, but to challenge and equip them to move forward with confidence — on and off the trails.

**Skill Development:** This could mean helping someone become a better driver, teaching trail recovery skills, or even developing as a future MWK leader.

**Empowering Transformation:** Everyone should leave the club stronger, more knowledgeable, and more capable than when they joined.

How This Motto Shapes Our Actions:

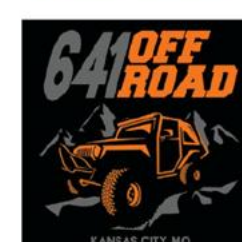

**On the Trails:** We stay together, ensuring every vehicle and driver completes the trail safely. At the same time, we encourage members to push their limits and try new challenges, growing their confidence and skillset.

**In the Club:** We build a culture of mentorship, sharing knowledge and developing personal relationships.

**In Life:** Midwest Krawlers is more than off-roading — it's about building each other up, so every interaction leaves a positive impact.

This motto calls us to be a club that not only supports its members but also invests in their growth. It's about creating a lasting legacy of camaraderie and transformation, ensuring Midwest Krawlers is a place where everyone feels they belong and where they're encouraged to become their best selves.
