MWK Home Run!

On Father's Day, Midwest Krawlers had the incredible opportunity to attend the Kansas City Monarchs game and the highlight of the day was driving our Jeeps and off-road rigs onto the field before the first pitch!

It was an unforgettable experience showcasing our club to thousands of fans while celebrating the off-road community and Father's Day together. A huge thank you to the Kansas City Monarchs for their hospitality and for giving Midwest Krawlers the chance to be part of such a memorable event.

Moments like these remind us that being a member of MWK is about more than hitting the trails it's about building friendships, creating unique experiences, and making memories that last a lifetime.

Suicide Prevention Ride

Midwest Krawlers was honored to participate in the Suicide Prevention Ride, a community event focused on raising awareness for suicide prevention and the 988 Suicide & Crisis Lifeline.

With an incredible turnout, the ride was a powerful reminder of the strength that comes from people coming together for a cause that impacts so many lives. We were proud to stand alongside fellow participants in supporting mental health awareness and reminding others that help is always available.

Thank you to everyone who participated and helped make this event such a meaningful success. Together, we can continue to spread hope, support, and the message that no one has to face life's challenges alone.

MIDWEST KRAWLERS MOTTO

"Leave No One Behind, and Leave No One Where You Found Them"

This motto captures the club's essence of community, growth, and responsibility. Here's what it means:

"Leave No One Behind"

Support and Unity: As a club, we are a family. This means we stick together, whether it's on the trails or in life. No one is left stranded, unheard, or unsupported.

Collaboration: When challenges arise, we tackle them as a team. From mechanical breakdowns to personal struggles, we're committed to helping each other through life's obstacles.

"Leave No One Where You Found Them"

Encouraging Growth: We don't just offer support, we inspire progress. Our goal is not just to help people where they are, but to challenge and equip them to move forward with confidence — on and off the trails.

Skill Development: This could mean helping someone become a better driver, teaching trail recovery skills, or even developing as a future MWK leader.

Empowering Transformation: Everyone should leave the club stronger, more knowledgeable, and more capable than when they joined.

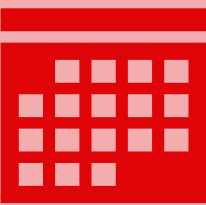

How This Motto Shapes Our Actions:

On the Trails: We stay together, ensuring every vehicle and driver completes the trail safely. At the same time, we encourage members to push their limits and try new challenges, growing their confidence and skillset.

In the Club: We build a culture of mentorship, sharing knowledge and developing personal relationships.

In Life: Midwest Krawlers is more than off-roading — it's about building each other up, so every interaction leaves a positive impact.

This motto calls us to be a club that not only supports its members but also invests in their growth. It's about creating a lasting legacy of camaraderie and transformation, ensuring Midwest Krawlers is a place where everyone feels they belong and where they're encouraged to become their best selves.
